Number of cameras:	27
Description of works:	<p>External cameras We will install four Hikvision 8MP 4K Hybrid ColorVu and IR Acusense IP Turrets to provide coverage of the external areas marked on the external plan, The cameras have AI built in and we will utilize this to provide accurate notifications when there are any unwanted visitors on site. Both cameras have built in white light technology that enables the cameras to provide a full colour image at night rather than the conventional grey scale images. Internal cameras We will install 9 Hikvision 8MP 4K HD Turret Cameras with the 2.8mm wide angle lens and built- in IR to provide coverage of all of the following areas Entrance, Fire exits and lifts. The cameras will be connected to a Hikvision 32-Channel 8MP acusense HVR with a 8TB hard drive that we will connect to your broadband and this will give you the ability to see live view and playback footage on the app.</p>
